Letter no 362 D/ 14.9.49 from the Tl. Dy. M.S.R.R.C.

Reports that refugees staying in Thotadassa's Choultry have been asked to vacate the rooms and requests to levy rent from them.

1) The Rao Bahadur Thotadassa's Choultry near City Ry. Station is being utilised for over a year now to provide accomodation to refugees.

The M.S.R.R.C. is paying rent for these rooms and they have now asked the refugees to vacate and find ~~them~~ their own accomodation.

They have resolved to collect reasonable rent from the refugees till they find alternative accomodation.

2) While such a procedure may induce these refugees to vacate the rooms now occupied by them it would certainly not re-imburse the M.S.R.R. funds to any appreciable extent.

3) These funds are about Rs 40,000/- (approx) and were collected for the benefit of refugees. It would not

seem expedient to collect rent from them at this stage after having given them free accommodation for so long.

4) Moreover, the question of finding accomodation from in B'lore is such a difficult problem. The G. of I. have recently negatived our request for vacant Mily Camps near the Indian Dist of Lcmee.

5) The question of Nissen Huts ~~rebate~~ was discussed with the Mily authorities recently by the Dt Secy M. S. R. R. C, and ~~has also resulted in~~ has opined that the matter be dropped.

6) As these refugees have been asked to vacate, the trustees of the Chantry may be asked to recover rent from them ~~from~~ hereafter, if they continue to stay there. The Committee may stop paying rent and not recover any money from the refugees.

Sir,

I have the honour to enclose herewith a copy of the resolution* passed by the Mysore State Refugee Relief Committee at their meeting held on 26-6-49, opining that the refugees to whom accommodation is provided in a portion of the Rao Bahadur Thotadappa's Choultry which has been taken for rent, may be asked to vacate the Choultry making their own arrangements for their alternative accommodation as it is not desirable to give accommodation for an indefinite time in the Choultry.

I am to state that in accordance with the resolution of the Committee, the refugees who have been housed in the portion of the Choultry taken for rent by this office have been asked to vacate the rooms. It is suggested by the Committee that until such time the refugees, who have now been housed in the Choultry, could find alternative accommodation, a reasonable rent may be collected from them.

Yours faithfully,

1. No. of families lived in the Choultry: 45.

2. No. of families vacated the Choultry: 41

3. No. of families that are at present living in the Choultry 4

3. Ability to secure alternative accommodation and to pay the rent: The four families that are occupying the Choultry have applied to the Accommodation Controller for allotment of some houses to them which has been awaited, and they are agreable to pay a nominal rent for the portions they are occupying.

4. The expenditure incurred by the Committee on taking the Choultry for rent: for their Account

Formerly when the Choultry was taken for rent the portion which was in the occupation of the Committee consisted of 19 rooms. At the request of the Deputy Commissioner, Bangalore (Urban) District, for the storage of foodgrains, 13 rooms were handed over to him after the cessation of hostilities at Hyderabad (Deccan) to which Hyderabad Evacuees left, and again two more rooms were handed over, retaining only four rooms for the present. The rent that was being paid for 19 rooms was ~~Rs.xxx100/-~~ at the rate of Rs. 100/- P.M. and now a sum of Rs. 20/- P.M. is to be paid for four rooms. Two of the four families state that they are unable to pay the proportionate share of this amount.
